More of the Muddle.

The Democratic City Committee met on last Friday, and, after reading the depositions furnished them by the contestants of the recent election for Councilmen, made the following decision:

This contest of James McClure and others vs. D. C. Parrish and others, having been heard by the Democratic City Committee, of Paris, Ky., the said Committee find the following facts, to-wit:

On counting the ballots in precinct No. 1 the Committee finds that James McClure received 48 votes, in No. 2, 82 votes, making a total of 130 votes received by McClure; that R. E. Lusk received in No. 1, 33 votes and in No. 2, 80 votes, making a total of 113 votes received by Lusk; that Fletcher Mann received in No. 1, 48 votes and in No. 2, 78 votes, making a total of 126 votes received by Mann; that James O'Brien received in No. 1, 72 votes and in No. 2, 72 votes, making a total of 144 votes received by O'Brien; that T. E. Ashbrook received in No. 1, 70 votes and in No. 2, 63 votes, making a total of 133 votes received by Ashbrook; that Hugh Montgomery received in No. 1, 63 votes and in No. 2, 71 votes, making a total of 134 votes received by Montgomery; that in No. 3 D. C. Parrish received 51 votes and in No. 4, 75 votes, making 126 votes received by Parrish; that T. F. Brannon received in No. 3, 49 votes and in No. 4, 91 votes, making a total of 140 votes received by Brannon; that B. M. Renick received in No. 3, 69 votes and in No. 4, 55 votes, making a total of 124 votes received by Renick; that in No. 3 W. O. Hinton received 74 votes and in No. 4, 77 votes, making a total of 151 votes received by Hinton.

The Committee further find that two votes should be deducted from the vote of Parrish and Hinton because of illegal ballots cast for them by D. C. Parrish and Ed Shinnery, and that a further deduction of two votes should be made from the vote received by Parrish and Hinton, because of illegal votes cast for them by Mike Arkle and Pearce Patton. We further find that R. Q. Thomson, John James, A. J. Green and Ed Wood were illegal voters; that they all voted for the contestants, O'Brien, Ashbrook and Montgomery and that on that account four votes should be deducted from the number of votes received by the said contestants.

We are therefore of the opinion that the vote as received by the contestants and contested is as follows:

O'Brien	140
Ashbrook	129
Montgomery	130
McClure	130
Lusk	113
Mann	126
Parrish	122
Brannon	140
Renick	124
Hinton	147

The Committee therefore declare the following the nominees for Council in the First Ward of the City of Paris, to-wit: James O'Brien, Hugh Montgomery and James McClure; and the following the nominees in the Second Ward of the City of Paris, to-wit: W. O. Hinton, T. F. Brannon and B. M. Renick.

Women do not worship the almighty dollar like men do. They worship the almighty 99 cents.

There are a whole lot of Christians who expect to sit on the right hand of Christ, who cross over the street to avoid misery in beggar's rags.

It is said that raw tomatoes, liberally sprinkled with salt and eaten, will quench a man's thirst for liquor. But there are some men who do not like raw tomatoes.

Recurring to Admiral Schley's turn at the battle of Santiago, the people keep well in mind the fact that he turned in and gave the Spanish just what we intended they should have.

JUDGE-EDITOR J. D. WYATT, of Fleming county, has yielded to the wishes of a number of friends and is in the field for the office of Prison Commissioner. The Judge is a hustler and generally gets what he goes after, so THE NEWS congratulates him in advance.

REV. FATHER BROSSART, Vicar General, and formerly of this city, was pleasantly remembered Sunday night in Covington of the twenty-ninth anniversary of his admission to the priesthood by a visitation of the Young Ladies' Sodality of St. Mary's Cathedral in that city, together with a large delegation of resident and visiting clergymen. He was presented with an elegant imported Brevier in four volumes; also, an appropriately inscribed gold-mounted umbrella.

AFTER wrangling for several hours over a case last week, a Lexington jury came in for further instructions.

"What is it you want to know?" said the judge.

"Yer Honor," said the forman, "even of us want to know what to do with the other—fool."

Time to loosen the purse strings and get ready for fall buying. This store did not arrive at its present stage of usefulness by chance. There's no luck or speculation about this business; it isn't the result of fortunate circumstances, but down right honest, hard work, wherein your interest as customers have been carefully studied at every corner and turn. Eight years ago we came here as strangers. Our business friends to-day number into the thousands. They know us and they have confidence in our merchandise and methods of doing business. If you don't believe this visit the coming week, note the throngs of satisfied buyers in each section and you'll believe that there's friendship in business, for we look upon every customer who leaves a dime or dollar in this store as a business friend.

The liability to disease is greatly lessened when the blood is in good condition, and the circulation healthy and vigorous. For then all refuse matter is promptly carried out of the system; otherwise it would rapidly accumulate—fermentation would take place, the blood become polluted and the constitution so weakened that a simple malady might result seriously.

A healthy, active circulation means good digestion and strong, healthy nerves.

As a blood purifier and tonic S. S. S. has no equal. It is the safest and best remedy for old people and children because it contains no minerals, but is made exclusively of roots and herbs.

No other remedy so thoroughly and effectually cleanses the blood of impurities. At the same time it builds up the weak and debilitated, and renovates the entire system. It cures permanently all manner of blood and skin troubles.

Mr. E. E. Kelly, of Urbana, O., writes: "I had Eczema on my hands and face for five years. It would break out in little white pustules, crusts would form and drop off, leaving the skin red and inflamed. The doctors did me no good. I used all the medicated soaps and salves without benefit. S. S. S. cured me, and my skin is as clear and smooth as any one's."

Mrs. Henry Siegfried, of Cape May, N. J., says that twenty-one bottles of S. S. S. cured her of Cancer of the breast. Doctors and friends thought her case hopeless.

Richard T. Gardner, Florence, S. C., suffered for years with Boils. Two bottles of S. S. S. put his blood in good condition and the Boils disappeared.

You Do, or You Don't Need Glasses

The eye being a rather delicate organ, great care should be exercised in the selection of proper glasses. Many believe that glasses should be restored to only when the sight becomes so defective as not to be able to do without. This is a great mistake which must be combated. Whenever there is unmistakable evidence of the need of their aid, they should be used. A neglect of this rule sometimes produces mischief which results in serious trouble if the course be persisted in.

Our Dr. C. H. BOWEN having just returned from taking a special course in Optics from one of the best specialists in New York, is prepared to do the best of work, having the latest improved methods of fitting. Examinations free. Next visit Thursday, Sept. 12, 1901.

Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for Indigestion or Biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied that there is nothing serious the matter with you. Get Green's Prize Almanac.—W. T. Brooks

"I am indebted to One Minute Cough Cure for my present good health and my life. I was treated in vain by doctors for lung trouble following lagrippe. I took One Minute Cough Cure and recovered my health." Mr. E. H. Wise, Madison, Ga.—W. T. Brooks.
